MISSIONARY UPDATE

10/17/24

"DGJ"

"M" and "H" fulfilled their promise to come to Church. After the church service, "J" invited the group to a restaurant for a sumptuous lunch. "J" meets with "M" once a week to converse with her in English and show her the love of Christ both in action and in words. **Pray that they will again come to church. Pray that their minds will begin to question their current faith.**

As we continue our visitations in our neighborhood, we learned that many of the girls love to watch movies but do not have a streaming service nor are they not allowed to go to the movies. We organized a Girls' Movie Time and there where 10 girls that where given permission to come to our apartment, but only 6 girls that came. "G" prepared pizza and drinks and a movie to watch. They all enjoyed the movie. After watching the movie, Gladys led them to a great and interesting discussion. **Pray for these children, that they will continue to be open to the invitation to meetings like this. Pray that they will see the love of the Lord Jesus Christ as we continue to relate to them.**

Recently there have been lots of violence and suicide happening in our area. The most recent one was when an Afghan man jumped out from the balcony of his 12th floor apartment, located just behind the building where we are staying. Four days ago, there was a fire in our building's basement garage. This is not the first case. Six months ago, there was another car that was torched and got burned while it was parked in the parking lot of another building. The rumor is that a gang was hired to do these things for business. **Praise God our car is spared.**
