PRAYER MEETING 01/15/25

MISSIONARY UPDATE

01/08/25

"MEV"

- "E" continued to volunteer at the school: teaching reading in the first grade class.
- "E" and "M" both have been teaching Sunday school in our church--and it is growing. The church had to open up a 3rd room for the kids on Sunday mornings. "M" and "A" help out with nursery and S.S. too.
- "E", "M", and the girls work with a women and children's ministry in town. The girls teach crafts and visit a couple times a week, "E" is teaching reading and math to a young woman there that never had the opportunity to go to school. "E" and the girls have put their market shopping skills to use to help the ministry have the clothes, blankets, shoes, etc. to care for these ladies and their families. "M" is blessed to help with repairs and projects on site, as well as with some basic medical assistance as needed. These fun and practical ministries have opened up opportunities for us all to share the gospel, do discipleship, and be a part of God's work meeting some deep spiritual needs.
- "M" serves as a member of the Board for the Bible College in Kiburara. We are searching for the next principal for the college. At the last board meeting, "M" was tasked with following up with the other board members to be sure that we keep it a priority to be thinking, praying, searching, and suggesting possible candidates. "Please be praying for God to guide and direct in this process.
- "M's" Community Health Evangelism mentees have nearly completed the training that they have been doing with members of a local church.
- "M" has enjoyed some opportunities doing some projects with young men. This has opened doors for mentoring and discipleship. Please be praying for these relationships—for impactful interactions and that the Holy Spirit will soften hearts to God's truth.
- "E" and "M" celebrated their 23rd anniversary (we married more than half of our lives!).
- We spent the weekend watching our 3 oldest start filling out applications for college. "M" is 2 years older than his parents were when they sent him off to college.
- Please pray for the kids and for "E" and "M" as they are all learning and stretching and transitioning into this new phase of life.
